Ordinary Member

Kim's background is in museums, tourism and community cultural development within a regional setting. Her particular expertise lies in strategic planning, policy development and project management with an emphasis on access and sustainability.

Kim has spent almost ten years as a part of the NSW Museum Advisor Network, facilitated by Museums and Galleries NSW. In this role, she concurrently managed ongoing relationships with six local government bodies as Regional Museum Advisor, and serviced in excess of thirty five community, volunteer run museums across the Riverina Region of NSW.

Following relocation to regional Victoria, Kim commenced as Arts & Culture Advisor with Golden Plains Shire Council in 2019 with ongoing links to small museums in regional communities. Kim offers AMAgA Victoria over 25 years of industry experience, a commitment to the GLAM sector, a passion for enabling community access to collections and to building our stories through a sustainable industry.
